Building Capacity is consistent with current BOE approved Staffing Ratios

Special Education Numbers are broken out into service pattern type

Charter Schools: Several new charter schools are opening within JSD Boundaries or expanding during 16-17 - some numbers are reflected in 1.0 but not all charter numbers were available.

- Summit Academy expanding 8th grade 200 students
- Summit Academy Satellite K-8 new school 700 students
- Utah Military Academy - will not open until 2017-18
- Athlos Academy in Herriman - K-9 832 Seats
- American Academy of Innovations Grades 6-12 360 students

Total Seats

2092

USOE's projected number of charter schools for Jordan School District in 2016-17 is 12,699.

All school were urged to staff very conservatively due to the new Charters schools opening in JSD and the boundary changes that took place effective 2016-17.
