DATE: August 24, 2017

TO: All Principals

FROM: Laura Finlinson, Administrator of Curriculum and Staff Development  
Ben Jameson, Director of Evaluation, Research and Accountability 

SUBJECT: 2017 SAGE Data Release on USBE Data Gateway

---

Beginning August 25, 2017, the 2016-17 SAGE proficiency results will be released on USBE's Data Gateway for principals, schools, and districts to review. The URL for the Data Gateway is <https://datagateway.schools.utah.gov/>. The login prompt is in the upper right hand corner of the screen.

We ask that principals log into the Data Gateway and review their school's SAGE results for accuracy as soon after August 25<sup>th</sup> as possible. The intent of the review is to address any data errors before the mid-September public release date. Please report any concerns or inaccuracies to the Evaluation, Research & Accountability department at 801-567-8185.

It is anticipated that USBE will release accountability data and school report cards in mid-September for principals, schools and districts to review. While the release date is still tentative, schools will have an opportunity to review their accountability data prior to public release.

If you need assistance navigating the Data Gateway or logging in, please contact Ben Jameson at 801-567-8243.
