

Ballet West Student In-Theater Presentations are designed to build on a student's experience with Ballet West for Children program. Here the students have the opportunity to attend an actual ballet performance at the Janet Quinney Lawson Capitol Theatre. This hour-long program begins with an educational introduction and is followed by a portion of the repertoire currently being performed for the general public.

All attendees may request a student/teacher workshop to supplement their attendance at a Ballet West student in-theater presentation. Availability is limited.

For more information or to request to attend a student in-theater presentation, please contact your district arts coordinator.
