SUBJECT: 2018-19 UEPC School Climate Survey Preview Links

Jordan District is administering the 2018-19 UEPC School Climate Survey between February 4th and March 15th, 2019. The Evaluation, Research & Accountability Department submitted the licensed educator faculty lists you verified back in November 2018 to the Utah Education Policy Center. UEPC is now finalizing surveys for your school. Please conduct a final preview of the survey by **Friday, January 18, 2019**, to review the list of licensed educators at your school to make sure the list is complete and accurate.

Please follow the links below to preview the surveys:

When you get to the list of educator names *for each survey*, please read through the list carefully. If there are any names that need to be changed (for example, names are misspelled or not what the educator uses, educators have been added or replaced, etc.), please contact Ben Jameson (ben.jameson@jordandistrict.org) with the necessary changes. If possible, please provide CACTUS ID numbers for educators that need to be added. Also, please email Ben Jameson if there are no changes that need to be made.

UEPC will make changes to individual school surveys through Friday, January 18, 2019. **Once the surveys go live, UEPC will not be able to make any changes to your faculty lists.**
