Skyward Nutrition Services Year End

Last Day **Year-Round School Elementary** – July 3, 2018

We recommend you make parents aware payments on the last day of school will only be accepted up to 12:00 noon. Clerks must come into Nutrition Services Office for Year-end, July 3, 2018. Please plan sufficient time to complete the following steps:

 □ Breakfast served only (if you are a breakfast school) □ No lunch account payments can be made after 12:00 noon (no exceptions) all payments and purchases must be in Skyward by noon. Let your office know that parents cannot make any payments after 12:00 noon, they need to advise parent to use eFunds to make payments after that time and during the summer break. □ Run Total Inactive Account Deficit Report and Total Account Deficit Report for 6th grade report. Take a copy of these reports to your school office so a journal entry can be prepared for the total amount to be paid by school of both reports total combined. □ Lunch clerks run the following reports: ○ Refunds (print report even if it shows no activity) ○ Adjustments (print report even if it shows no activity) ○ Payment Total Report ○ Total Active Account Deficit Report ○ Total Active Account Deficit Report for 6th grade □ 12:30 ALL CLERKS MUST BE OUT OF THE SKYWARD SYSTEM □ All above listed reports ○ Copy of journal entry written to Nutrition Services for the uncollectable deficit totals payment (Uncollectable Deficits Amount = Total Inactive Account Deficits report + Total Active 6th grade deficits report) ○ The journal entry must match the total of the Total Inactive Account Deficits report and Total Active 6th grade Deficit report you bring to Nutrition Services office □ PLEASE NOTE — The clerk will not be responsible for adjusting inactive student deficit and active 6th Grade deficit accounts. Clerk must bring a copy of the uncollectable deficit spournal entry (from school's office) with copies of the Total Inactive Account Deficit report and Total Active 6th Grade Account Deficit report. These account deficits will be paid by the journal entry to Nutrition Services. Nutrition Services wi		with your school office to be sure someone will be available to complete journal s the last day of school.
and purchases must be in Skyward by noon. Let your office know that parents cannot make any payments after 12:00 noon, they need to advise parent to use eFunds to make payments after that time and during the summer break. Run Total Inactive Account Deficit Report and Total Account Deficit Report for 6 th grade report. Take a copy of these reports to your school office so a journal entry can be prepared for the total amount to be paid by school of both reports total combined. Lunch clerks run the following reports: Refunds (print report even if it shows no activity) Adjustments (print report even if it shows no activity) Payment Total Report Total Active Account Deficit Report Total Inactive Account Deficit Report Total Active Account Deficit Report All YEAR ROUND SCHOOLS take the following to Nutrition Services by 1:00 p.m. All above listed reports Copy of journal entry written to Nutrition Services for the uncollectable deficit totals payment (Uncollectable Deficits Amount = Total Inactive Account Deficits report + Total Active 6 th grade deficits report) The journal entry must match the total of the Total Inactive Account Deficits report and Total Active 6 th grade Deficit report you bring to Nutrition Services.
