

**2019-2020 Elementary Mathematics Specialist Institute for  
New Elementary Coaches and Specialists.**

We are pleased to announce that we are accepting applications for the **2019-2020 Elementary Mathematics Specialist Institute for New Elementary Coaches and Specialists**. We are looking for elementary mathematics coaches and specialists who are new to their positions (serving in current roles less than three years) and are currently transitioning from the classroom to the role of a specialist or coach.

Participants in the Elementary Mathematics Specialist Institute for New Elementary Coaches and Specialists will collaborate on and increase knowledge and skill-sets related to:

- Defining the role of an Elementary Mathematics Specialist
- Building relationships with teachers, administrators, etc.
- Deepening knowledge of content and standards including progressions across grade levels
- Working with individual teachers, grade-level teams, and school faculties
- Equity in mathematics education

Sessions will incorporate a variety of learning activities including readings, video, vignettes, interactive feedback, self-assessment and reflection, networking, collaboration with peers, current research, and more.

The 2019-2020 institute will occur from 8:30 a.m. to 3:30 p.m. over six days throughout the school year. All meeting locations will be in downtown Salt Lake City. There will also be some intersession work to keep connected between sessions. Participants who apply are committing to attend all six days listed below. Lodging, mileage, and meals will be the responsibility of the participant or their LEA. Participants will earn 2 USBE Credits.

**Applications are open now through August 23, 2019.** [Please complete your application here.](#) Applicants will hear back by Friday, August 30, 2019.
