

2019-2020 Utah K-12 Mathematics Leadership and Coaching Institute

We are pleased to announce that we are accepting applications for the **2019-2020 Utah K-12 Mathematics Leadership and Coaching Institute**. We are looking for elementary and secondary mathematics educators with strong content knowledge who are working in positions that involve leadership and coaching.

The K-12 Mathematics Leadership and Coaching Institute participants will collaborate on and increase knowledge and skill-sets related to:

- Collective Efficacy and Supporting Teams
- Co-teaching
- MTSS
- Equity in Mathematics
- USBE Strategic Plan

Sessions will incorporate a variety of learning activities including readings, video, vignettes, interactive feedback, self-assessment and reflection, networking, collaboration with peers, current research, and more.

The 2019-2020 institute will occur from 8:30 a.m. to 3:30 p.m. over six days throughout the school year. All meeting locations will be in downtown Salt Lake City. There will also be some intersession work to keep connected between sessions. Participants who apply are committing to attend all six days listed below. The institute will cover substitute costs as needed. Participants traveling over 60 miles one way will be eligible for lodging. Mileage and meals will be the responsibility of the participant or their LEA. Participants will earn 2 USBE Credits.

Applications are open now through August 30, 2019. [Please complete your application here.](#) Applicants will hear back by Friday, September 13, 2019.
