TO: All Principals

FROM: Shelley Nordick, Ph.D., Administrator of Teaching and Learning
Ben Jameson, Director of Evaluation, Research and Accountability

SUBJECT: 2021 USBE School Climate Survey Response Rate Links

Principals are encouraged to use the following links to monitor the response rates for the student and adult USBE School Climate Surveys.

As a reminder, all students in grades K-12 should have time scheduled during the school day to take the school climate survey.

An email went out on Monday, March 22, 2021, inviting all school employees to take the climate survey for their school. Evaluation, Research & Accountability will send out emails reminding school employees to take the survey.

An email will be sent out soon inviting all parents to take the climate survey for each school at which they have a student enrolled. Principals will be notified when this email has been sent to parents. Once the initial parent invitation has been sent, principals are encouraged to post the link to the adult survey on their website and send out reminder Skylerts to parents to take the survey.
