SUBJECT: 2021 WIDA Access Hard Copy Individual Student Reports

---

Hard copies of the 2021 WIDA Access individual student reports were delivered to schools last week. These ISRs as well as a copy of the “Annual Parent Notification Letter” and “Understanding Your Child’s Scores” need to be mailed home to parents as soon as possible. A copy of the ISRs was also included for each school EL lead.

The WIDA Consortium will release student reports and frequency reports on Wednesday, June 9th. These reports will be delivered to schools within a few days afterwards. Principals may review the frequency reports as needed. A copy of the student report should be placed in each student’s CUM folder.

Please see the attached WIDA Test Results Checklist for more detailed instructions.

Please contact JoLynn Snelgrove in Evaluation, Research & Accountability with any questions.
