SUBJECT: Updates to your School's SafeUT Dashboard Contacts

---

Administrators,

As staff members change at each of your schools, it's important to keep our SafeUT Dashboard up to date. We have been updating each school as new administrative appointments and transfers become finalized. If you have additional updates, changes, or would like to add anyone from your mental health teams to receive SafeUT notifications, please email Angie Rasmussen at [angie.rasmussen@jordandistrict.org](mailto:angie.rasmussen@jordandistrict.org). If you need a new account added to the Dashboard for a new hire please include their name and title in your email. For any individual that would like text message notifications, include a cell phone number. Thank you!

If your school has not yet been added to the SafeUT Dashboard, we will be making updates to ensure all JSD schools are registered and receiving SafeUT tips.
