SUBJECT: 2023 EOY Acadience Reading Results Now Available in Tableau

The Acadience Reading summary dashboard has been updated in Tableau with end of year benchmark results. School administrators and instructional coaches will be able to see the following 2022-23 results for each benchmark period:

- [Proficiency over time](#)
- [Growth over time](#) (Pathway Achieved)
- [Measure data over time](#) for each grade level
- [Proficiency and growth school comparison by similar demographics](#) for 2022-23
- [Individual student and teacher results](#) for 2022-23 – This dashboard will provide the benchmark status, growth status (Pathway Achieved), and individual measure scores for each student. Please see the attached Summary of Benchmark Goals and Cut Points for Risk document attached with this memo to help you analyze individual student data.

All of these dashboards are equipped with various demographic filters to help you analyze and interact with your school's data.

Please direct questions about these dashboards to Ben Jameson in Evaluation, Research & Accountability.
