

Dear Prevention Coordinators:

The Salt Lake Bees are excited to host our annual Utah Prevention Day at Smith's Ballpark, in conjunction with ResilientYOU. We appreciate your support over the years and hope you will be able to join us again as we try to further the message of building resilience and the prevention of substance abuse, violence, and unhealthy behaviors that compromise students' safety.

When:

- Thursday, May 9, 2024
- Gates open at 9:35 a.m.
- Game begins at 11:05 a.m. vs the Sacramento River Cats

Who:

Fifth or sixth-grade teachers that have taught five prevention-based lessons prior to May 9, 2024 are eligible to have their class participate in this exciting event.

How:

The deadline for entry will be Friday February 23, 2024. However, we often fill to capacity prior to that date. It is imperative that we collect accurate numbers of those attending as soon as possible. We have had to turn away some schools in the past and we don't want that to be your school!

To sign up, please visit the following link to add the information for each school in attendance:
Beesgroups.com/PreventionDay

Thanks to sponsorship from Med One Group, students and chaperones will receive entrance to the game free of charge. Students and chaperones may bring their own lunches or purchase food at the concessions.

Further information will be sent after the deadline that will contain the bus drop off routes, bus parking location, any food specials we may offer and miscellaneous items pertaining to the event.

We look forward to the students once again celebrating their commitment to being resilient and free from substance abuse and violence in their lives. Have a great day.
