

Jordan District Elementary Math Tournament

@ Daybreak Elementary

- Date:** April 9, 2026
- Time:** Approximately 9:30 a.m. – 1:30 p.m.
- Registration:** Registration forms and detailed information will be entered in JAM in January 2026.
- Entry Fee:** Gifted and Talented will cover all registration fees.
- Transportation:** Busing will be provided.
- Teams:** Teams are composed of **five** high-ability math students from grades 4, 5, or 6.
- Most teams are composed of 6th grade students. However, 4th and 5th grade students commonly attend and do well.
- The number of teams schools can send depends on interest. Participating schools can usually send 2-3 teams.
- Format:** The tournament has 2 rounds—individual and team. All students compete in both rounds. Each round has 10 questions.
- Supervision:** Adult chaperones and scoring help are required from each participating school.
- Lunch:** All participants and adult helpers bring their own lunches.
- Preparation:** Practice complex problem solving. After registration, schools will receive practice problems from previous tournaments.
- Schools may also wish to participate in school-based Math Olympiads throughout the year. More information can be provided upon request.
- Questions:** Rebecca Smith @ 8368 or Frankie Walton @ 88319
