DATE: October 15, 2026

TO: All Administrators & Threat Assessment Teams

FROM: Michael Anderson, Associate Superintendent
Buddy Alger, Director of Student Services
Angie Rasmussen, CARE Team Specialist

SUBJECT: Comprehensive School Threat Assessment Guidelines (CSTAG) Training

CSTAG training consists of two (2) training levels, Level 1 and Level 2. Both levels must be completed by all administrators and threat assessment team members. CSTAG Level 2 training is for all who have completed the Level 1 training (the web-based training from Navigate360). Level 2 training builds upon your knowledge of threat assessment by providing practical application and implementation of the CSTAG process in your school.

New Administrators and Administrative Interns are encouraged to attend.

Select the [link](#) to register for a session of CSTAG Level 2 training.

In-Person CSTAG Level Two Training:

Friday, November 13th (In-Person) 1-3PM

District Office Room 129

Other important CSTAG reminders: If your school wants to train a staff member or threat assessment team member that is not an administrator in CSTAG level 1, please email angie.rasmussen@jordandistrict.org the request with the person's name, title, and email address. CSTAG Level 1 is web-based through Navigate 360 and costs \$100 per person. A request for reimbursement will be sent to the school after the staff member has been added.
