

# APRIL 12, 2024

## LEVEL **UP** SIXTH GRADE MATHEMATICS

Jordan School District has adopted a new version of your 6th grade math curriculum. It has tools and supports that can elevate your teaching practice and student learning.

**Who:** All 2024-25 6th grade teachers and any resource and special education teachers who work with 6th grade students

**Time:** Friday, April 12, 8:30-3:30 (Doors open at 8:00 for registration.)

**Lunch:** 11:30-12:30 On your own

**Location:** West Jordan Middle School

7550 S Redwood Rd, West Jordan, UT 84084

(Carpooling is recommended. Overflow parking is available at Majestic Elementary School or the LDS church on the South side of West Jordan Middle.)

### **MORNING FOCUS:** **PLANNING AND PACING**

Is pacing an issue for you?  
How are you using your formative assessments?

If possible, bring a recent set of completed cool downs to the session.

### **AFTERNOON FOCUS: UNFINISHED** **TEACHING AND LEARNING**

What if your students are not ready to move on to the next unit, lesson, or activity?

If possible, bring student samples of the Pre-unit Diagnostic for either [unit 7](#) or [unit 8](#).

## BRING WHATEVER YOU NEED TO HELP YOU DO YOUR BEST WORK

Teacher editions for every 6th grade teacher and SPed teacher working with 6th grade have been delivered to your school. If you would like to bring your teacher editions you can, however, everything can be accessed online.
