

Intradistrict Communication

DATE: October 11, 2023

TO: All Administrators and Financial Administrative Assistants

FROM: Dr. Anthony Godfrey, Superintendent of Schools
John Larsen, Business Administrator

SUBJECT: Staff Appreciation Funds (formerly known as Staff Discretionary Funds)

Please share this information with your financial administrative assistant.

Principals and directors may spend up to \$75 per staff member per budget year for employee food, gifts, incentives, clothing, etc.

Prior approval from your Cabinet-level supervisor is required for these expenditures.

Monies for these expenditures should come from within your existing budgets. These expenditures should be coded only to the following account codes:

- Schools should utilize their school-based funding for these costs coding these expenditures to 21 E xxx 2002 1090 639. Schools should do an annual transfer from (debit) 21 E xxx yyyy 1090 610 where “yyyy” represents a non-restricted program (vending, pictures, school fundraisers, etc.) into (credit) the Staff Appreciation Account 21 E xxx 2002 1090 639 for the \$75 per staff member (both certified and classified). In order to bring the balance for the new-year to the \$75 per staff member calculation, the transfer should be reduced by any remaining amount from the prior year. This will give the school its “budget” to spend and the mechanism to track use of these funds.
 - Any school not having adequate non-restricted checkbook funds may utilize their district supply allocation by coding the costs to 10 E xxx 0050 1090 639. However, non-restricted school-based funds should be used first.
- District departments may spend up to \$50 per staff member (both certified and classified). The other \$25 is withheld for building level functions (e.g. winter or spring socials). District departments will code these expenditures to their existing budgets under object code 639. If a district department feels they cannot take the funds from their existing budget, the department director should seek an alternative through Cabinet and the Business Administrator.

Cautions/Reminders:

- No gift cards or cash gifts may be purchased or reimbursed with these funds or other taxpayer funded resources.
- District departments should not have separate bank accounts for these purposes or other purposes.
- These expenditures are authorized for all staff members under your responsibility and authority. Please make sure each employee receives equitable treatment (e.g. custodians, food service workers, aides, etc.).
- You should submit appropriate documentation with the expenditure documentation (e.g. recipient list, expenditure amounts, original receipts, statement of purpose, type of expenditure). All expenditure and back-up materials must be readily and clearly available for both auditing and public transparency purposes.
- You should not use other funds, including grants or donations, to supplement (enhance) these types of expenditures. An average of \$75 per staff member is the annual maximum amount authorized for food, gifts, incentive, and clothing expenditures.
- These funds are for business purposes (i.e. staff meals, parent-teacher conference meals, employment socials, team-building activities, job-well done or thank you acknowledgements, etc.), **not** for personal gifts (wedding, Christmas, birthday, Administrative Assistant's Day, etc.).
- You should not use these funds for taking staff out to restaurants (dine-in), please do carry-out instead.
- If hosting other Jordan School District employees (employees not in your building or department) and you are serving food/treats for a meeting, those costs should come out of this \$75 authorization.
- Only the meetings listed below may come from other budgets and are not included in the \$75 authorization:
 - District Principals Meetings
 - The District-directed educator professional development day
 - District Assistant Principals Meetings
 - District Educator Transfer Fairs
 - District Administrative Assistant User Group Meetings
 - District Head Custodial Workshop Meetings
 - District Nutrition Services Managers Meetings
 - District Teaching & Learning multi-school trainings
- These authorized amounts are intended to be spent in the current year and may not be carried forward from one year to the next.

If you have any questions about the appropriateness of a planned expenditure, please review it with your Cabinet-level supervisor.
