

Intradistrict Communication

DATE: Thursday, February 15, 2024

TO: Middle School Administrators

FROM: Carolyn Gough, Administrator of Teaching and Learning
Ben Jameson, Director of Evaluation, Research and Accountability

SUBJECT: AAPPL for DLI Tableau Dashboards Updated with 2023-24 Results

AAPPL for DLI results have been updated in Tableau. The dashboards contain district, school, and individual student data. In addition, viewers will be able to see results by teacher as well as by individual students. Tableau users may filter data by various demographic and student groupings as well.

AAPPL for DLI results may be accessed [here](#):
Explore Menu > Assessments > AAPPL for DLI Analysis > AAPPL for DLI Analysis,
2017-Present

Please contact Ben Jameson in Evaluation, Research & Accountability with questions about these dashboards.
