

A.S.P.E.N. Training

Are you interested in learning about how to effectively manage aggressive behavior in the school setting?

Have you always wanted to attend Mandt Training but just couldn't find the time?

Then do we have a training opportunity for you!

We will be offering A.S.P.E.N. training to all administrators and school psychologists on Wednesday, October 12th at JATC South 12723 S Park Avenue (2080 W), Riverton, UT

Two sessions will be offered:

Session 1: 8:00-11:30

Course #101133 Session #114752

Session 2: 12-3:30

Course #101133 Session #114753

**Please sign up for your preferred session on JPLS
You will only need to attend 1 session in order to receive the certification.**

Please call Brian King, District Behavior Specialist, with any questions concerning this training opportunity (567-8208).

A.S.P.E.N. is a positive, preventative, and proactive approach to managing aggressive student behavior.

This training has a proven track record and was developed right here in Utah. A.S.P.E.N. provides similar training to the Mandt System, but is less time consuming.
