SUBJECT: Panorama Student Feedback Survey Window – Spring 2026

The Spring 2026 Panorama student feedback survey window will open on **Monday, April 20, 2026 and will close on Friday, May 15, 2026**. Schools may access their student opt-in list by running [this](#) data mining report. Student Services provides the opt-in list to Panorama the week prior to the window closing and at least one time midway through the survey window. For additional information and resources please see the [Panorama Student Feedback Survey Dates and Opt-In Report JAM](#) sent on July 17, 2025. Other resources for administering surveys, survey questions, or general information about Panorama may be found on the Student Services website [here](#).

Survey response rates may be accessed through your Panorama login and results are typically available the week following the last day of the survey window. Panorama has recently expanded the [survey reporting tools](#) and schools now have access to detailed disaggregation by demographics, cohort, trending, etc. There are also optional enhanced survey response training sessions from Panorama that are free for Jordan District. Please sign up [here](#) if you or anyone is interested at your school.

To assist with future scheduling, the 2026-27 survey windows are as follows:

- Fall
 - Tuesday, September 8 – Friday, October 9, 2026
- Winter
 - Friday, January 22 – Friday, February 19, 2027
- Spring
 - Monday, April 19 – Friday, May 14, 2027

Schools wanting additional Panorama training should reach out to Travis Hamblin (travis.hamblin@jordandistrict.org).
