

**Are You Interested in
Getting Mathematics Software for Free?
Here is the perfect grant for you!
Apply as a school to meet your specific needs.**

It is **EASY** and **QUICK** to apply. It will only take about 15-20 minutes.
This grant does not fund the entire school to use a program but will fund about 70%-80%.
This grant lasts for **ONE** year! You are able to reapply each year for continued funding.
All the software is approved for privacy.
You need to commit to using the software **40** minutes a week
to maximize the learning experience for students.

Here are the programs that I
(Amy Kinder, K-12 Mathematics Consultant) recommend:

 Pre-8	 Pre-8	 Pre-8 HS Geometry and Algebra Topics
---	---	---

If you have any struggles or questions,
please contact Amy Kinder immediately.
Email: Amy.Kinder@jordandistrict.org Cell: (801) 349-7261

QUESTIONS

Q: What is the window for the grant this year, and how do I get to it?

A: The grant is currently open, and applications must be completed by March 31, 2022. All information can be found here <https://stem.utah.gov/grants/k-12-math-personalized-learning-software-grant/>

Q: Who fills out the application?

A: One application must be submitted for each school that wishes to apply, and each application must be signed by Amy Kinder, K-12 Mathematics Consultant and Michael Heaps, the tech director.
