DATE: June 18, 2026
TO: High School Principals
FROM: C. Brad Sorensen, Administrator of Schools 
SUBJECT: Athletic Classes Taught During School Day

As you are finalizing your teaching schedule boards for the next school year, there is a need to know which of the athletic classes (up to eight) you will be offering to be taught at your school during the school day. **As per an agreement made with the Board of Education, if a coach/advisor coaches their respective activity during the school day, they do not qualify for the Extended Differential allotment.**

Paraprofessional coaches/advisors teaching classes during the day will be paid a monthly stipend amount (previously paid an hourly rate by clocking in on True Time) based on the Teacher Salary Schedule Level 1 \$63,900. One period taught is equivalent to .125 of your allocated FTE totaling \$7,987.50 per period/per year or \$3,993.75 per period/per semester.

Please list the athletic classes below. The following combinations will count as one class: boys baseball/girls softball, boys/girls basketball, boys/girls cross-country, boys/girls golf, boys/girls lacrosse, boys/girls soccer, boys/girls swimming, boys/girls tennis, boys/girls track & field, boys/girls volleyball, boys/girls wrestling. A football team powerlifting class counts as one of the athletic classes.
