MASTERY CONNECT CURRICULUM MAPS

Because we are transitioning to using the new ELA standards this year, we will have two different curriculum maps available for each grade in Mastery Connect-- one with the old standards, and the other with the new standards. Teachers can choose to create trackers from one or both of the curriculum maps.

CORE GUIDES FOR NEW ELA STANDARDS

USBE has released grade-level Core Guides for the new ELA standards, and is now requesting public feedback about those standards through August 30th. The guides provide a helpful overview of each standard, including critical background knowledge, related standards, academic vocabulary, and assessment exemplars.

The guides can be accessed through the following survey links:
