SUBJECT: BOY Acadience Reading and Math Dashboards in Tableau

Beginning of the year Acadience Reading and Math data and results are available in Tableau Viewer accounts. Administrators may view aggregate student participation, benchmark proficiency, and measure proficiency by school and grade level over time for both assessments. In addition, school administrators may view individual student and teacher data. Demographic filters are also available to help school administrators drill down to the data they wish to see.

These dashboards may be accessed through the Explore menu in Tableau or directly using the links below:

[Acadience Reading, 2015-Present](#)

Explore > Assessments > Acadience Reading & Early Literacy > Acadience Reading Analysis, 2015-Present

[Acadience Math, 2021-Present](#)

Explore > Assessments > Acadience Math & Early Numeracy > Acadience Math, 2021-Present

In addition, Acadience Reading and Math results for this year may be accessed in [ALO](#).
