BTSALP Specialists' Training

- **WHEN:** FRIDAY, March 4, 2016
- **WHERE:** BYU Conference Center
- **TIME:** 8:00-3:30 p.m.

Please work with your specialist on their calendar so that Friday, March 4, 2016 is a contract day. This is one of the three required trainings for participation in the BTSALP program. I know that they have a full day planned which will include art-specific techniques and strategies, integration of grade-level curriculum, as well as opportunities to collaborate in like-art forms, facilitated by a BYU Faculty member and PDP. The collaboration, brainstorming, sharing and creating collectively will be extremely beneficial. Also, building connections and networking across the districts will be a great resource now and in the future. Thank you for your help and supporting the BTSALP program at your school.
