Kauri Sue Hamilton School wins the \$1,000 grant from the Challenge Run

Kauri Sue showed up and had a great time at the Challenge Run in May. Whether it was running the course, getting free swag with some of the vendors, or getting their faces painted, everyone had something to do. Thank you to our Kauri Sue students, employees, and families for showing up and making the day memorable!

Donation Spotlight

As we open our doors for the new school year, we want to extend a massive thank-you to our incredible community. Thanks to your generosity over the break, our students and staff are stepping into the 2026–2027 year ready to thrive!

While the classrooms were quiet this summer, our foundation was hard at work. Thanks to the continuous donations of clothing, food, and essential school supplies, our shelves are stocked and ready for day one.

A special shout-out goes to Napa Balkamp for their generous donation, which will go a long way toward fighting student food insecurity.

We are also deeply grateful to Golden Customer Care for their huge donation of office gear—including chairs, computer equipment, monitors, and more. Many of these items are already cataloged and available for employees through our surplus warehouse.

Thank you to our fantastic community partners for standing behind our schools. We are looking forward to an amazing year ahead!

Board Member Highlight

Tina is our new JEF President and we could not be more excited! She has been on our board for 9 years and is a retired teacher. She opened up Majestic Elementary and has been involved with JSD and JEF ever since. We are looking forward to Tina's leadership and the knowledge that she brings with her.

Tina Rothe
President

Next Open Pantry Dates:

August 11th - 9am-11am

August 12th - 1pm-3pm

August 27th - 9am-11am

September 1st - After Principal's Mtg.
