SUBJECT: Behavior Survival Training for Administrators – MAKE UP SESSION

---

As you are aware, a required training was scheduled for all administrators that provided, within a restorative MTSS framework, background information pertaining to why problematic behaviors occur, basic information about behavioral resources that are available, an understanding of basic behavioral concepts, and strategies for effectively dealing with crisis behaviors.

Positive behavior intervention and supports (PBIS) are a cornerstone of any restorative MTSS culture. This training will provide the background and understanding to adequately and appropriately manage behavior issues in a supportive environment.

*A make-up session has been scheduled for all who were unable to attend one of the June training sessions.*

The make-up session will be:

**Date:** Wednesday, July 21, 2021  
**Time:** 8am-12pm  
**Location:** Jordan School District Offices, Room 129  
7387 S Campus View Drive
