SUBJECT: Behavior Survival Training for Administrators

A required training is scheduled for all administrators that will provide, within a restorative MTSS framework, background information pertaining to why problematic behaviors occur, basic information about behavioral resources that are available, an understanding of basic behavioral concepts, and strategies for effectively dealing with crisis behaviors.

Positive behavior intervention and supports (PBIS) are a cornerstone of any restorative MTSS culture. This training will provide the background and understanding to adequately and appropriately manage behavior issues in a supportive environment.

The training will take approximately four (4) hours and will be provided on three different days with five (5) different sessions to choose from (*you only need to attend one session – all sessions will provide the same content*). All sessions will be held in the auditorium at **Elk Ridge Middle School** (3659 W 9800 S, South Jordan, UT).

Please select one of the following dates/times to attend:

Tuesday June 8: 7:30-11:30am, or
12:00-4:00pm

Tuesday June 15: 7:30-11:30am, or
12:00-4:00pm

Thursday June 17: 7:30-11:30am
