

## Building Inspections are completed twice a year!

## **Building Inspections**

- 1. Follow Job Cards
- 2. Extra Training with Sweepers & Assistants on routes.
- 3. Check routes by using Itemized Improvement Sheets, on Sweepers & Assistants
- 4. Candy & Food should be in plastic containers.

## These are a few things we are looking at:

- Grounds
- Touch Points
- Pencil Sharpeners
- Preventive Maintenance Logs
- Integrated Pest Management
- Classrooms
- Restrooms
