

## Byrdseed TV License

- Byrdseed TV is a collection of video lessons, tied to core standards, that focus on higher-level thinking. The lessons are designed for grades 3-6, and can be adapted to primary and middle levels.
- Jordan District has a site license for Byrdseed TV. All educators have access to the resource.
- Of note: There is no requirement of use. It is simply intended to be another tool in a teacher's instructional resource tool box.
- Visit this link to learn more about Byrdseed TV:  
<https://www.byrdseed.tv/open/>
- Ways teachers may find the resource beneficial include:
  - Lesson planning for whole-class instruction
  - Differentiated instruction for small groups
    - Such as addressing the 4th PLC question during RTI
  - As a springboard for similar lessons of the teacher's creation
- Teachers will use this link to access the license:  
[https://www.byrdseed.tv/my-account/checkout/?level=5&discount\\_code=jordanschool20](https://www.byrdseed.tv/my-account/checkout/?level=5&discount_code=jordanschool20)
- Once the license is active, teachers can create up to five classes to assist with differentiation. Teachers can then choose video lessons that students can access directly with a link and login the teacher provides.
- We hope teachers enjoy using these resources and find them beneficial.
- Please contact a GT team member with any questions you may have:
  - Rebecca Smith            801-567-8368 / 88368
  - Taryn Cox                    801-567-8468 / 88468
  - Frankie Walton            801-567-8319 / 88319
