

# COVID-19 Flow of Information

1. School Point of Contact (POC) receives information regarding possible positive COVID-19 case and shares the following information with school nurse:

- Name
- Date of Birth
- Contact Tracing
- Other Context

2. School nurse confers with SLCHD, confirms information, receives information on student or teacher quarantine(s).

3. School and AOS confer on all confirmed cases. Confer with SLCHD if an entire class may be quarantined.

4. If an entire school is recommended to quarantine, SLCHD, Board, and Superintendent confer before proceeding.
