

Intradistrict Communication

DATE: July 9, 2021

TO: All School Administrators

FROM: Michael Anderson, Associate Superintendent
Travis Hamblin, Planning & Student Services

SUBJECT: CSTAG LEVEL 2 Training

CSTAG training provides a critical foundation for successful threat assessment responses to ensure a climate of safety, respect, and support for students and staff. Through a restorative/social-emotional foundation this training will provide the processes and tools to help keep our schools safe. CSTAG training is conducted in two (2) levels – Level 1 & Level 2.

CSTAG Level 1 training is provided online and is highly interactive. *All school level administrators will need to complete the Level 1 training prior to the Annual Administrators Conference August 4, 2021. Please refer to the JAM dated June 17, 2021 for more specific information regarding Level 1.*

CSTAG Level 2 training is a three hour in-person training and multiple sessions will be held for your convenience. The first sessions have been scheduled as follows:

When: July 22, 2021
Where: ASB Auditorium
7905 S Redwood Road, West Jordan
Enter from the North nearest 7800 South

Time: Session 1: 8-11:00am
or
Session 2: 12-3:00pm

Please sign up using JPLS for the session you will be attending. **School teams should attend the same session.**

Additional trainings will be scheduled at later dates to facilitate school teams attending together.
