TO: All Administrators & Threat Assessment Teams

FROM: Michael Anderson, Associate Superintendent
                 Travis Hamblin, Director of Student Services
                 McKinley Withers, Health and Wellness

SUBJECT: Comprehensive School Threat Assessment Guidelines (CSTAG) Level 2 Workshop

---

CSTAG training consists of two (2) training levels and both levels must be completed by all administrator's and threat assessment team members. The CSTAG Level 2 workshop is for all who have completed the Level 1 training (the six (6) hour web-based training completed in the summer/early fall). This workshop will build upon your knowledge of threat assessment by providing practical application and implementation of the CSTAG process in your school.

The Level 2 workshop will;
1. Review CSTAG level 1
2. Focus on implementation and use of the threat assessment process
3. Focus on sustainable ways to use CSTAG in your school.
4. Review and training on the decision tree
5. Review the CSTAG forms and best practices
6. Practice using real-world scenarios.

Select one of the options below to complete your CSTAG training.
