SUBJECT: Campus Monitor Training

This is a reminder that next week is a required Campus Monitor Training!

The same training will be offered both **Monday 8/23** and **Tuesday 8/24**

The training is from 7:30 AM to 9:30 AM at the ASB in the PD classroom. Please park in the front and use entrance B.

The hope is that one Campus Monitor can come each day. An assistant principal is welcome to come to the training with the campus monitor but it is not required.
