

**Jordan Education Foundation (JEF) CLASSROOM GRANT** applications will be accepted **Monday August 15 through Friday October 28, 2016.**

**JEF** funding will be awarded through Wednesday November 30, 2016 – as long as funds are available. The funding period will end before November 30 if **JEF** funds have been exhausted by eligible projects. Bottom line: APPLY EARLY!

We are using DONORS CHOOSE to increase funds available to award grants. Last year our funds were extended by 12% by using DONORS CHOOSE. This year we hope to improve that percentage by capturing additional funds from more matching programs.

2016-2017 Classroom Grant Application process:

- Open the **JEF** Google Form link at [jordaneducationfoundation.org](http://jordaneducationfoundation.org).
- Go to donorschoose.org. Create a Donors Choose account and project. Use the criteria provided within the **JEF** Google Form to describe your project.
- Provide contact and project-specific information and the link to your Donors Choose project within the **JEF** Google Form. (This is how we'll know which projects to fund).
- If your project does not meet Donors Choose requirements or is for materials/licenses that are not covered by Donors Choose, please complete the "APPLICATIONS NOT APPLICABLE TO DONORS CHOOSE" portion of the **JEF** Google Form.

**JEF** will fund UP TO \$500 per applicant or \$1500 per team of three (3) or more or department application to maximize use of the matching funds. Please limit grant requests to \$500 per application (or \$1500 per team or department).

Teachers who were awarded grants in 2015 are not eligible to receive **JEF** grant funding in 2016. Please verify the 2015 recipient names on the [jordaneducationfoundation.org](http://jordaneducationfoundation.org) website.

We are excited to read your applications and discover projects JSD teachers use to educate our students! We love to fund CLASSROOM GRANTS!
