

JORDAN SCHOOL DISTRICT  
Dr. Anthony Godfrey, Ed.D. - Superintendent of Schools  
West Jordan, Utah

# Intradistrict Communication

Date: September 26, 2019  
To: All Principals  
From: Dr. Anthony Godfrey, Superintendent of Schools  
Subject: **Classroom Long-Distance Phone Calls**

To assist teachers in making phone calls to the ever-increasing number of parents who have long-distance phone numbers, each classroom phone will now have the ability to call long-distance.

Contrary to popular belief, land lines making long-distance calls do incur a charge to the District. Therefore, long-distance calls made on District phones must be for business-related purposes only. Any employee making personal long-distance calls on a District phone is subject to discipline.

Thank you.
