1. Provide your CommGap Access Code, language, and appointment information.

2. For virtual requests, provide URL link for Doxy.me, Zoom, etc. We will share the link with interpreter.

3. Over the Phone requests will be connected on demand. Onsite and virtual requests will be prescheduled – if you are interested in getting set up for on-demand video remote interpretation, please let us know!

4. Requests can also be emailed to orders@commgap.com. Please include your access code.

*Multiple Party Calls: If you need to make a conference call to a third party, you must request that before the interpreter comes on the line. We can add multiple lines.
