DATE: April 6, 2023

TO: All Administrators & Threat Assessment Teams

FROM: Michael Anderson, Associate Superintendent
Travis Hamblin, Director of Student Services
McKinley Withers, Health and Wellness
Angie Rasmussen, Student Safety & Wellness Specialist

SUBJECT: Comprehensive School Threat Assessment Guidelines (CSTAG) Level 2 Workshop

CSTAG training consists of two (2) training levels and both levels must be completed by all administrator's and threat assessment team members. The CSTAG Level 2 workshop is for all who have completed the Level 1 training (the six (6) hour web-based training from Navigate360). This workshop will build upon your knowledge of threat assessment by providing practical application and implementation of the CSTAG process in your school. If you have already completed level 2, you are welcome to attend this training as a refresher.

The Level 2 workshop will;

1. Review CSTAG level 1
2. Focus on implementation and use of the threat assessment process
3. Focus on sustainable ways to use CSTAG in your school
4. Review and training on the decision tree
5. Review the CSTAG forms and best practices for documentation
6. Practice using real-world scenarios.

An upcoming session for the level 2 workshop will be offered June 9, 2023. Select the [link](#) below to register for a session of CSTAG Level 2 training.
