Building 1st Grade Readers

NOV. 2026

Building Strong Readers

Thank you for your dedication to working toward our goal of strengthening students' phoneme segmentation fluency (PSF) and whole word reading (WWR)!

The beginning of the year is a busy and challenging time, and the progress you are making with your students is worth celebrating.

Your efforts are building the strong literacy foundations our students need to become accurate, fluent readers.

Let's celebrate our progress and keep the momentum going!

Check out the upcoming classes below. We'd love to see you as we continue learning, growing, and supporting one another!

Ground Breaking Fun!

Jordan Hills teachers and administrators got 1st graders excited about reaching their 1st Grade goals. Students came dressed in the construction vests they made and had fun building with blocks dumped by a skidster.
