Engaging the Truth

by *Hilariously Confronting Obstacles*
 that will *Transform Our Lives and Organizations*

There's a reason Craig Zablocki is one of the most sought-after speakers across the country—and around the world. Not only is he one of the most audience-engaging speakers you've ever experienced, he can provide transformational tools that will help improve lives both individually and organizationally—immediately and for years to come.

Whether his message is delivered through a keynote address, a workshop, a weekend seminar or executive coaching, Craig's unique approach engages, confronts and transforms individuals toward more authentic expression and purpose. He unravels us from our habitual ways of being and the social conditioning that keep us stuck. And he does it with humor and heart.

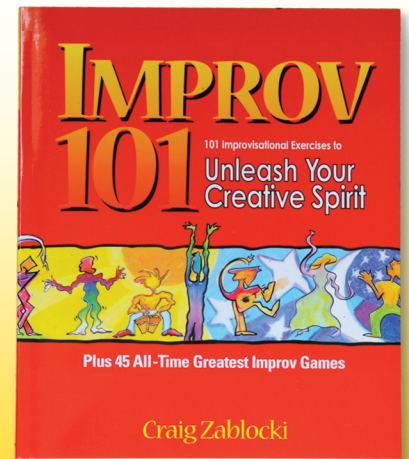

The Fortune 500 agree: Craig is second-to-none.

Described as a compelling combination of Robin Williams and Wayne Dyer, Craig is in the top 2 percent of America's most recognized speakers. Microsoft, Disney, Chase, United Airlines, the Mayo Clinic — his client list reads like an international who's who. He's even shared the stage with the likes of Al Gore and Tom Peters and has keynoted dozens of national conferences. Craig offers a compassionate perspective to groups dealing with intense adversity, from post-combat soldiers, to 911 victims, to domestic violence and victim advocates.

Based on demand for his cutting-edge programs, his ability to connect with audiences, and his capacity to create powerful change, you can only win! Call 303.830.7996 to find out more and secure your dates.
