

Crucial Policy Review

To complete the required Policy Review, login to your Employee Access account. A link to the login page can be found at jordandistrict.org, select Faculty and Staff, then select Employee Access (Skyward). If you need help with your login ID or password, contact the Help Desk at 801-567-8737.

If you have not completed your Policy Review, you will see the screen below. Click the Policy Review link.

The Policy Review can also be accessed by selecting Employee Information/Online Forms.

Begin the Policy Review by clicking the link for each step. A PDF or video will open. When completed with each step, click on the next step, or click the Next button at the bottom of the page. At any time you may select Close and Finish Later to complete the Policy Review at a later time.

On the next to the last step, you are required to provide your electronic signature, acknowledging you have reviewed the policies. Select Yes in the required boxes, then enter the date you are completing the form. Click next to go to the final step.

21. Crucial Policies Acknowledgement 2023-24 Licensed

It is the responsibility of every Jordan School District employee to know and abide by all District policies. District policies are available online at <http://policy.jordandistrict.org>

I have read District policy DP371 Employee Information Network Acceptable Use Policy and Jordan School District Social Media Guidelines and agree to abide by the terms and conditions. I understand that violation of the provisions stated in the policy and guidelines may result in suspension of network privileges and/or other disciplinary action.

* Accept Network Use: Yes

I have reviewed the Code of Conduct video and understand that I am responsible to recognize and maintain appropriate personal boundaries while interacting with students. I also understand that if I have reason to believe a staff member is violating the Code of Conduct, I will report my suspicions to my building administrator or District administrator.

* Accept Code of Conduct: Yes
