

Jordan School District
Custodial/Energy Services

We have created training videos for every sweeper route and posted them to our custodial website. This is the way to get to the videos. Go to

<https://auxiliaryservices.jordandistrict.org/custodialenergy/>

The screenshot shows the Jordan Auxiliary Services website. At the top left is the logo with the text "JORDAN Auxiliary Services". To the right of the logo is a box labeled "Hover Here" with an arrow pointing to the "Custodial/Energy Services" dropdown menu. The dropdown menu is open, showing a list of options: JCOS Trainers, Custodial Loaner Equipment, Documents/Forms/Logs, Energy Management/Dashboard, How to Apply, Training Dates, Training Videos, Tutorials and Compliance, and Survey and Job Resources. A box labeled "Click Here" has an arrow pointing to the "Training Videos" option. Below the dropdown menu, there is a navigation bar with links for Facility Services, Rentals, Card Access/ID, Nutrition, and Safety & Security. Below the navigation bar, there is a section for "Energy Services" with a link to "Request Dashboard". Below that, there is a section for "West Jordan, UT 84088 (Use West Side-Entrance C)" and a link for "Request Coverage # 801-567-8740".

You will also find other training videos that will help all of our employees become knowledgeable in their field.

We also have under the Documents/Forms/Logs tab, a link to all the forms the Head Custodian, Lead Custodian and/or Adult Night Supervisor should be using to check on the sweepers and adult custodians to make sure they are getting their jobs done each night.

You can also find the different logs we use to track our supplies and equipment checks. Forms to nominate employees for awards, Apprenticeship programs with more training topics, and also Summer Cleaning Checklists for those custodians that just need a list or place to start in order to prioritize getting the work done at your school in the summer.
