

## Required Moodle Training

Teachers will need to log into the training site:

<http://training.dynamiclearningmaps.org>

Follow these steps:

- 1- Use a recommended browser to go to [training.dynamiclearningmaps.org](http://training.dynamiclearningmaps.org).
  - Firefox
  - Internet Explorer 11
  - Chrome
  
- 2- Enter your username and password
  - Username is the same email address used for Educator Portal.
  - New Teachers: At your first login, use your temporary password which is the first part of your email address, up to the “@.”
    - For example, educator Jane Jones will use her email of [jjones@gmail.com](mailto:jjones@gmail.com) as her login name and a temporary password of jjones on her first login to Moodle. She will then be prompted to change her password.
  - Returning Teachers: Log in, click forgotten password or username if needed and follow steps.

New Teachers will then log out and wait for the facilitated training to take place.

Returning Teachers can then proceed to watch the “returning teacher Module” and complete the quiz.
