

JORDAN SCHOOL DISTRICT

# Auxiliary Services

## ELECTRICAL SAFETY REMINDER

### POWER STRIPS:

- Do not plug one power strip into another power strip (daisy chaining)
- Do not plug extension cords into power strips
- Do not plug large appliances into power strips (space heaters, microwaves, fridges, etc.)
- Do not cover power strip, ensure it has adequate ventilation space

### SPACE HEATERS:

- Do not plug into power strips, plug into its own wall socket
- In accordance with District Policy they must be equipped with a tip over safety switch
- Allow the maximum amount of room between the heater and all surrounding items
- Must be turned off at the end of the day before you leave

### HOLIDAY DECORATIONS:

- Keep away from space heaters
- Use minimal lighting decorations
- Any lighting must be turned off at the end of the day before you leave
