SUBJECT: ELL Assessment Profile Dashboard

An assessment profile for ELL students has been created with *next year's projected enrollment data included*. Those with a Tableau Viewer account may look up individual EL students to see longitudinal WIDA, SAGE/RISE, Utah Aspire Plus, ACT, and Acadience Reading assessment data all based on next year's enrollment at your school.

This dashboard will be useful as schools identify and target EL students for extra support, remediation and enrichment for the 2020-21 school year.

Tableau users may access this dashboard here:
