SUBJECT: Earbud Orders for the RISE Summative and the Utah Aspire Plus  
Summative Tests

---

Students will have the option to have text read to them on the RISE Summative and Utah Aspire Plus Summative tests once again this year. Principals or their designee are encouraged to place an order for student earbuds. Please place your order by Friday, September 27, 2019.

To place an order, please click [here](#).

Earbuds may be used for other district- or state-mandated tests, but schools will need to devise a system by which the same student uses the same earbuds throughout the year as there is no additional funding to purchase more than one pair of earbuds per student in grades 2-10.

If schools wish to purchase additional earbuds for other uses, school administrators are welcome to contact Gaylene Miller in the Evaluation, Research & Accountability Department at 801-567-8185 who can share the purchasing information obtained in the purchasing procedures and quotes used to acquire these earbuds.
