SUBJECT: Earbud Orders for State Testing

Students will have the option to have text read to them on the RISE Summative once again this year. Principals or their designee are encouraged to place an order for student earbuds. Please place your order by Friday, October 16th.

To place an order, please click [here](#).

Earbuds may be used for other district- or state-mandated tests, but schools will need to create a system by which the same student uses the same earbuds throughout the year as there is no additional funding to purchase more than one pair of earbuds per student in grades 3-12.

If schools wish to purchase additional earbuds for other uses, school administrators are welcome to contact Heather Knecht in Assessment, Research & Accountability at 801-567-8185, who can share the purchasing information and quotes used to acquire these earbuds.
