

## Educators Mini-Grant

Cyprus Credit Union Mini-Grants are now available for teachers to fund innovative and creative classroom projects that enrich standard curriculum and enhance learning opportunities for students. Funds may also be used to purchase supplemental supplies.

Cyprus will fund up to \$250 per teacher/educator. The grants can be combined for use toward a larger grant amount if specified. For example, four teachers can combine and apply for a \$1,000 grant for a group project with each teacher submitting a separate application for their \$250 allotment. Applications are limited to one \$250 grant per teacher for the school year and two applications per school per month, either individually or with a team.

Mini-Grant applications will be accepted from Monday, August 9, 2021 through Thursday, April 15, 2022. Up to eight Mini-Grants will be awarded each month, and all applications must be received prior to the 15th of the month to receive funding the following month.

Restrictions: The following categories are not eligible for funding: Salaries, professional development, honorariums, stipends, and educator travel.

The Mini-Grant program is exclusively available to licensed educators in Davis, Salt Lake, Utah and Tooele counties.

If you have any questions about the application or funding process, please call the Relationship Development Department at (801) 260-7600, ext. 5951 or ext. 5952
