

Elementary Principals,

Do you have teachers that still need to be trained on the Botvin program? I have good news! USBE is now able to accommodate 20 participants per training session of the online Elementary Botvin LifeSkills Training, and as a result there are spots open.

How to Register for the Teacher Training:

Step 1: [Click here to register on MIDAS](#)*-Be sure to go to your cart and “check-out” after registering to ensure that your registration is complete.

Step 2: After registering on MIDAS, participants should complete [this form](#) (https://usbe.az1.qualtrics.com/jfe/form/SV_5AM3kV8IN8k5CiF) so that we make sure to send the access code and training materials to the correct email address and physical address.

*Please note: some of the training is located on page 2 which is easy to miss. You will find the “next” button towards the top of the page just above the Training Section options.

Student Guide Order Forms Update:

LEAs can submit the student guide order forms to prevention@schools.utah.gov at any point, however the LST provider has informed us that they are currently printing additional Elementary books and will start shipping the Elementary books again in mid-late August.

Stipend & Sub-Reimbursement Update:

Starting September 1st, LEAs may invoice USBE \$150 for the following:

- Sub-reimbursement for teachers who required a sub to complete the training
- Stipends for teachers who complete the training after September 1st while off-contract

Starting September 1st, invoices can be sent to prevention@schools.utah.gov.

(In the meantime, USBE will continue to send the necessary stipend paperwork to off-contract teachers who completed the training during the summer of 2021)
