SUBJECT: Elementary Calendar Change

A correction has been made to the Elementary calendars. The four “Flexible Fridays” (September 10, November 19, February 11, April 29) will be the designated early-out days for their respective weeks. This is a change from the Thursday before the “Flexible Friday” as was previously published.

Updated calendars are available at <http://planning.jordandistrict.org/calendars/>. They are also attached to this memo. Schools should ensure that the staff and community members are aware of the change.
