## SAGE Benchmarks

No testing window; always available

SAGE benchmark tests allow teachers to give brief (15-30 min) online assessments for one reporting category or standard. These test are designed to be used formatively. They are fixed-form tests, not

adaptive. The questions are drawn from the SAGE Interim item bank. Student scores *and* responses will both be visible in teacher reports. The scores and reports will be accessed via AIR Ways Reporting, a new reporting tool, instead of via ORS. The link to Air Ways is next to ORS on the SAGE portal landing page:

### SAGE Interim Winter (3-6)

Testing window

**All tracks:** 1/3/2017 to 3/3/2017

If you have questions, please contact Brooke Anderson at 801-567-8393 or [brooke.anderson@jordandistrict.org](mailto:brooke.anderson@jordandistrict.org). SAGE Interim tests are entirely optional. If you choose to administer them, you will need to adhere strictly to the Test Administration Manual and maintain test security. This is not a practice test where teachers can review questions with students. Interim is, rather, an opportunity to take a shorter version of the SAGE midyear to predict end-of-year results. For a practice test, we recommend using SAGE Formative or UTIPS rather than SAGE Interim. More information can be found at [assessments.jordandistrict.org/sage](http://assessments.jordandistrict.org/sage).

### WIDA ACCESS (EL Levels 1-4) (K-6)

Your school will be contacted to set up the dates for the WIDA team. Please be aware this is a computer-based test and we will need to schedule a computer lab. This test will be administered to your ELL students who are at LPL levels 1, 2, 3, or 4. Sample test items can be found at [wbte.drccdirect.com/WIDA/portals/wida](http://wbte.drccdirect.com/WIDA/portals/wida).
